**3. Banner subscription in Diver's Companies and Agents Directory in www.finddivers.com
Only for Divers companies and Exclusive Brokers Agents or Partners.**

The latest updated Divers Directory, with more than 1000 approved by classifications divers locations on Google map is the largest maritime portal website database in internet. Especially for the diver's Exclusive Brokers or Partners we present on Google map all locations of representations.

The Divers Directory portal website is a great tool for the marine professionals helping them to find quickly the nearest divers station for repair or U/W survey for their vessels.

**4. Futures Web sites portals www.shipsafety.gr and www.shipsuppliers.net (Under development)
Only for companies and Exclusive Brokers Agents or Partners related to these services.**

The above 2 Directories portal websites are a great tool for the marine professionals helping them to find quickly the stations for Safety Equipment inspections and Spare parts suppliers worldwide.

With great honour we are mentioning herewith also that we are receiving many emails on a daily basis from people asking our professional opinion and suggestions as to whom they should contact for various kinds of services in the maritime field. All our advertisers and clients are respectful establishments, to the best of our knowledge, and they are truly professionals rendering their services considering their customers' needs and benefits.

Concluding our offer, we wish to emphasize to the benefits gained through advertisement in our website www.infomarine.gr. Infomarine On-Line portal web site is one of Google's target source of information, not mentioning the strongest one, and that is justified by the strong keywords that are running in the 'background' of each posting and of course by the thousands of visits daily.

We wish to thank you for your time spent in this presentation, and we would be honoured to promote **your company** by the most professional and decent way and means possible.
